## 4 Business Arising from Minutes — 10 min

No dates have been confirmed by TBA for the Shield competition at this stage. Feedback is expected from TBA within the next four to six weeks.

TBA has indicated its intention to proceed with the Shield competition in 2027, with further details to be provided once planning and scheduling have been finalised.

Selection process will be announced once TBA confirms event.

## 5 Correspondence — 10 min

As discussed at the AGM

## 6 Financial Report — 15 min

As discussed at the AGM

## 7 General Business — 20 min

Uniform Standards Discussion

A discussion was held regarding team uniform standards, specifically the inconsistency in playing attire, including long pants, shorts, skorts, and skirts being worn within the same team.

Associations were encouraged to review their uniform requirements for next year and consider adopting a more consistent approach across teams. The aim is to present a professional and unified appearance at representative events and competitions.

Australian National Championships (ANC)

Limited information is currently available regarding the future of the ANC, including whether the event will be accredited by TBA. Consequently, there is uncertainty regarding the participation of junior teams.

Associations noted that the proposed event period coincides with an already busy calendar and is expected to result in higher travel and accommodation costs.

It was also noted that, as incorporated associations operating under TBAQ, there may be restrictions on sending teams to non-accredited events. Further clarification will be sought from TBAQ.

Representative Shirts

Associations were reminded of the importance of submitting representative shirt orders within the agreed timeframes. Timely ordering is essential to ensure uniforms are available prior to competitions and to avoid delays in production and delivery.
