Agenda topics

1 Opening and Welcome — 5 min

Roll call was taken, Meeting was started at 6:02pm on the 16/03/2026.
Amba-Lea connected at 6:12pm after a minor connection issue.

3 Confirmation of Previous Minutes — 5 min

The Chairperson confirmed that all associations had received and discussed the three-year fixed pricing information provided with their respective association committees.

4 Business Arising from Minutes — 5 min

The Cairns Association raised concerns and requested further information regarding the breakdown of event costs, including the price of dinner tickets, suppliers used for trophies and shirts, and the impact on associations with lower participant numbers in a given year.

NQJC advised that a full itemised cost breakdown would not be provided, as the event is offered as a three-year fixed-price package inclusive of all listed items on the supplied information. Suppliers are selected based on their ability to provide locked-in pricing over the three-year period.

Discussion also covered how associations determine the cost per bowler. NQJC confirmed that a fixed cost is provided per team, and each association is responsible for distributing those costs across bowlers, team officials, and supporters as they see fit.

All event costs are paid by the participating associations. The host association is only responsible for organising the opening ceremony and will no longer incur direct costs when hosting the Intercity event.

7 Vote on 3 year proposed billing structure for Junior Intercity

20 min

After discussion of the proposal, the Chairperson asked the associations whether the vote should proceed or be postponed for one week. The majority of delegates voted for the vote to proceed.

A vote was held, with all associations in attendance, except Cairns, voting in favour of the proposal.

MOTION

That the three-year fixed pricing schedule, as presented to the associations, be adopted.
