7 Vote on Future Pathways for the NQJC — 20 min

The proposed options provided by TBA for the 2027 President's Shield were discussed. At this stage, no dates have been confirmed for the competition.

NQJC confirmed that all associations had considered the proposed costings for both the President's

Shield and the Milo competition and were prepared to proceed to a vote.

NQJC moved to defer the vote on removing the team from the President's Shield pending the announcement from TBA regarding the President's Shield competition for 2027.

Accordingly, the announcement of team roll-offs for both the National Championships and the President's Shield will also be deferred until TBA has confirmed the dates and venue.

It was resolved to pursue entering a squad in the Milo competition.

It was further resolved that 2027 would be the first year NQJC would send a team to compete in the Milo competition.

MOTION

Hold off on the vote to remove NQJC teams from President's Shield until we have a concrete format from TBA.
